TRANSMITTAL LETTER

Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231

RECEIVED
MAR 25 2002
Technology Center 2100

Sir:

Transmitted with this communication in connection with the above-identified application are the following documents:

- ☒ Second Request for Correction of Filing Receipt (2 pgs) with attached marked-up copy of the Updated Filing Receipt (2 pgs); and
- ☒ Copy Corrected Filing Receipt for U.S. Provisional Patent Application Serial No. 60/217,886 (2 pgs).

There is no fee due with this communication. However, the Commissioner is hereby authorized to charge underpayment of any additional fees associated with this communication or credit any overpayment

to Deposit Account No. 06-1325. A duplicate copy of this authorization is enclosed.

Respectfully submitted,

Date: February 19, 2002

SECOND REQUEST FOR CORRECTION OF FILING RECEIPT **RECEIVED**

Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231

MAR 25 2002
Technology Center 2100

Sir:

In the Updated Filing Receipt received by Applicants in the above-identified patent application, the U.S. Patent and Trademark Office erroneously recited the incorrect data. The Domestic Priority Data information is listed correctly on the front page of the patent application as filed on July 13, 2001.

Under Domestic Priority Data:

Please delete the following: THIS APPLN CLAIMS BENEFIT OF 60/217,886 07/12/2000
(*) Data inconsistent with PTO records

And replace with: THIS APPLN CLAIMS BENEFIT OF 60/217,886 07/13/2000

A copy of the Filing Receipt is also attached, with the corrections marked thereon.

In addition, a copy of a Corrected Filing Receipt for U.S. Provisional Patent Application Serial No. 60/217,886 is also attached. The Corrected Filing Receipt lists the correct filing date of July 13, 2000 for U.S. Provisional Patent Application Serial No. 60/217,886. Therefore the corrected information should be listed on U.S. Patent Application Serial No. 09/904,932 as requested herewith.

Please make the indicated corrections and forward to us a corrected filing receipt.

There is no fee due with this communication. However, the Commissioner is hereby authorized to charge underpayment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 06-1325. A duplicate copy of this authorization is enclosed.

Respectfully submitted,

Date: February 19, 2002

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
